

Dear Dominik Laube

Welcome aboard.

It is with great pleasure that we formally welcome Dominik Laube as a Full Implementation Partner within the Matomo Partner Network. This milestone marks the beginning of what we are confident will be a successful and impactful partnership.

As a Full Implementation Partner, you are now part of a trusted network of experts committed to delivering ethical, privacy-focused, and powerful digital analytics solutions to customers around the world. This designation places Dominik Laube among a select group of globally recognised partners who share Matomo's commitment to open-source values, data protection, and responsible analytics. It reflects our shared belief in empowering organisations through privacy, compliance, and actionable, data-driven insights.

What This Partnership Represents

Achieving Full Implementation Partner status affirms Dominik Laube's readiness and expertise to deliver comprehensive services across the Matomo platform, with proven capabilities in the following areas:

- **Technical Excellence** – Deployment, configuration, customisation, and ongoing support of Matomo Analytics across a range of technical environments
- **Marketing Proficiency** – Effectively articulating the value of privacy-first analytics and Matomo's ethical approach to a diverse audience
- **Commercial Capability** – Positioning and delivering Matomo solutions across public and private sectors where trust, compliance, and data sovereignty are paramount

Thank you again for your commitment to ethical analytics and your contribution to the Matomo ecosystem.

Once again, welcome to the network – we are excited about what we will accomplish together.
